To Whom It May Concern:

It is a distinct privilege to provide this letter of recommendation for Mr. Harry Dworchak, Bass-Baritone. Mr. Dworchak served as an interim voice instructor at Carnegie Mellon University for the academic year 2007-2008. During that time, I had the opportunity to collaborate with him as well as observe his teaching as his studio coach/accompanist. He is a master teacher with great communicative skills, and he was very well-liked by both his students and colleagues.

Mr. Dworchak is a consummate performer with an incredible list of professional experiences, both nationally and internationally. I feel that his expertise in the studio combined with his remarkable operatic background would make him a most desirable candidate for any conservatory faculty roster.

If I can provide you with any additional information regarding Mr. Harry Dworchak, please don't hesitate to contact me.

Sincerely,

L. Mark Carver, MMus
Associate Teaching Professor
Coordinator, Collaborative Piano
