To whom this may concern:

My name is Adam Richardson and I currently finished my third year at Carnegie Mellon University in Pittsburgh, Pennsylvania pursuing my Bachelor of Fine Arts in Vocal Performance. This past year I've had the privilege of having Mr. Harry Dworchak as my studio teacher. In this short academic school year Mr. Dworchak has not only stepped up to the role of a teacher, but also a mentor. Vocally I've grown tremendously in only nine months with him. He has gone out of his way to help me in anyway possible. He has defiantly prepared me for the real world as a performer through his wealth of knowledge as an established performer. His teaching skills from what I've personally gained and also seen in his other students have amazed me from his youngest to his oldest students. All of his students have made significant vocal progress with him in the short amount of time. I highly recommend Mr. Dworchak for your institution.

Sincerely,
